It means this cell spy feature is:	Fantastic	Good	Fair	Poor

Ideally you want to find a LG Optimus mobile phone spy below that has as many greens and as little reds as possible for the best quality LG phone spy at the lowest price. For fastest side by side comparison you can refer to the **Grade** column as well.

Cell Spy App	Price	Guarantee	Support	Cell Spy Features	Grade	Comments
<a href="#">SpouseSpy</a>	\$79 year	60 days	- FAQ -submit ticket	-spy call history -spy sms history -gps location tracking -spy contact list -spy emails -spy urls -spy media	A-	A really good cell spy for the money. Could use slightly better support. Very popular with those want a cell spy to spy on a cheating spouse.
<a href="#">CellControl</a>	\$69 lifetime	60 days	-FAQ -Live chat -Submit ticket	-spy call history -spy sms history -gps tracking -spy contact list -spy emails -spy urls -remote call spy -spy room bug	A-	Great features + price. Does not need to be installed to cell phone being spied on. Installs to your phone. Recommended highly if you can't find a cell spy for the phone you want to spy on or can't get access to the target phone.
<a href="#">CellPhoneRecon</a>	\$169 -5 yrs	30 days	-FAQ -Live chat -toll Free 800	-spy call history -spy sms history -gps tracking -spy emails	A-	Features list a little weak. Endorsed by <a href="#">Brickhouse Spy Tools</a> which is good. Overall price per year exceptional. Solid cell spy if the features list is adequate for your spy needs.
<a href="#">Club009</a>	\$15	NONE	NONE	-spy call history -spy sms history -spy media -remote call spy	C-	Only reason to buy this cell phone spy is you like a low price AND you like risk. No guarantees it works and 0 tech support. Comes with free webcam spy though.
<a href="#">ClubMZ</a>	\$15 lifetime	NONE	NONE	-spy call history -spy sms history -spy contact list -spy emails -remote call spy	C-	The one redeeming feature is the extremely low price. Comes with free spy web cam. Phone spy may or may not work on the target phone. A gamble cell spy at best.
<a href="#">MobileSpy</a>	\$49 3 mo. \$99 year	60 days	-FAQ -Live Chat -toll Free 800	-spy call history -spy sms history -gps location tracking -spy contact list -spy emails -spy urls -spy media	A+	The best cell spy there is. A+ rated with BBB. In business making spy software since 1997! One of the ONLY mobile spy software to provide toll Free phone support.
<a href="#">FlexiSpy BASIC</a>	\$149 year	10 days	-FAQ -Submit Ticket -Live Chat	-spy call history -spy sms history -spy emails -remote control phone	C	Don't waste your money with the Flexispy BASIC cell spy plan. It has less cell spy features than the others at more than double the price.
<a href="#">FlexiSpy PRO</a>	\$249 year	10 days	-FAQ -Submit Ticket -Live Chat	-spy call history -spy sms history -spy emails -remote control phone -spy room bug	B	Flexispy is still expensive with their PRO plan but at least this plan has the <a href="#">spy room bug</a> feature which other do not with the exception of <a href="#">Spysera</a> . The <a href="#">remote control phone</a> feature is useful as well.
<a href="#">FlexiSpy PRO-X</a>	\$349 year	10 days	-FAQ -Submit Ticket -Live Chat	-spy call history -spy sms history -spy emails -remote control phone -spy room bug -remote call spy	B+	Although a little pricey the PRO-X plan for mobile phone spying by Flexispy has several powerful features that make it worth the expense, those features being <a href="#">remote control phone</a> , <a href="#">spy room bug</a> , and <a href="#">remote call spy</a> .
<a href="#">MobiStealth LIGHT</a>	\$39 3 mo's \$89 year	10 days	-Submit Ticket	-spy call history -spy sms history -gps tracking -contact list -free reverse lookup	C+	Mobistealth cell phone spy has a decent amount of features at not a bad price. Their guarantee and tech support is terrible. Help support requests take longer than acceptable to be replied to.
<a href="#">MobiStealth PRO</a>	\$79 3 mo's \$149 year	10 days	-Submit Ticket	-spy call history -spy sms history -gps tracking -contact list -spy emails -spy media -spy room bug -free reverse lookup	C+	Great mobile spy features at a good price. The tech support you can complain about and the little help there is in their <a href="#">Submit Ticket</a> oftentimes takes a terribly long time to get replied to. Only recommended if you know what you are doing and do not ever anticipate needing help or support.
<a href="#">SpyBubble</a>	\$59 lifetime	60 days	-FAQ -submit ticket	-spy call history -spy sms history -gps location tracking -spy contact list -spy emails -spy urls -spy media	A-	A really good cell spy for the money. Could use slightly better support. Membership is lifetime and can be used on unlimited cell phones.

<a href="#">PhoneBeagle</a>	\$19 3 mo's \$49 year	60 days	-FAQ -Submit Ticket	-spy call history -spy sms history -gps tracking -spy urls ** -spy media **  **andoid only	<b>A-</b>	PhoneBeagle is a mobile phone spy that does not get the attention it deserves. Slightly weak on the features list and the number of phone it supports is made up for by a mind blowing price and a members area that looks like a pilots cockpit of information.
<a href="#">PhoneSheriff</a>	\$49 year	60 days	-FAQ -Live Chat -toll Free 800	-spy call history -spy sms history -gps tracking -block numbers -block websites -block times	<b>A+</b>	One of the only cell phone spy apps that let you control the target phone as well as spy on it. Most popular with concerned parents. Excellent product AND company. PhoneSheriff is made by the <a href="#">MobileSpy company</a> . In business since 1997, A+ <a href="#">BBE</a> rated.
<a href="#">Spyera BASIC</a>	\$169 year	10 days	-FAQ -Submit Ticket	-spy call history -spy sms history -spy contact list -gps location tracking -spy emails	<b>C</b>	The Spyera BASIC plan is much too expensive for the features you get which are just basic spy features any of the other phone spy apps have at half the price.
<a href="#">Spyera SILVER</a>	\$199 year	10 days	-FAQ -Submit Ticket	-spy call history -spy sms history -spy contact list -gps location tracking -spy emails -spy room bug	<b>B</b>	The Spyera SILVER cell phone spying plan could be worth the money IF you want and need the <a href="#">spy room bug</a> feature as other cell spy apps don't have this feature with the exception of <a href="#">Flexispy</a> .
<a href="#">Spyera GOLD</a>	\$289 year	10 days	-FAQ -Submit Ticket	-spy call history -spy sms history -spy contact list -gps location tracking -spy emails -spy room bug -remote call spy -BBM messenger spy	<b>B+</b>	The Spyera GOLD spy plan, although a little pricey, is worth it because of the <a href="#">spy room bug</a> , <a href="#">remote call spy</a> , and <a href="#">BBM messenger spy</a> features as the other mobile spy apps do not have these features except for <a href="#">Flexispy</a> .
