It means this cell spy feature is:	Fantastic	Good	Fair	Poor

Ideally you want to find a Motorola Droid 2 mobile phone spy below that has as many greens and as little reds as possible for the best quality Motorola phone spy at the lowest price. For fastest side by side comparison you can refer to the **Grade** column as well.

Cell Spy App	Price	Guarantee	Support	Cell Spy Features	Grade	Comments
MobileSpy	\$49 3 mo. \$99 year	60 days	-FAQ -Live Chat -toll Free 800	-spy call history -spy sms history -gps location tracking -spy contact list -spy emails -spy urls -spy media	A+	The best cell spy there is. A+ rated with BBB. In business making spy software since 1997! One of the ONLY mobile spy software to provide toll Free phone support.
CellControl	\$69 lifetime	60 days	-FAQ -Live chat -Submit ticket	-spy call history -spy sms history -gps tracking -spy contact list -spy emails -spy urls -remote call spy -spy room bug	A-	Great features + price. Does not need to be installed to cell phone being spied on. Installs to your phone. Recommended highly if you can't find a cell spy for the phone you want to spy on or can't get access to the target phone.
SpyBubble	\$59 lifetime	60 days	-FAQ -submit ticket	-spy call history -spy sms history -gps location tracking -spy contact list -spy emails -spy urls -spy media	A-	A really good cell spy for the money. Could use slightly better support. Membership is lifetime and can be used on unlimited cell phones.
CellPhoneRecon	\$169 -5 yrs	30 days	-FAQ -Live chat -toll Free 800	-spy call history -spy sms history -gps tracking -spy emails	A-	Features list a little weak. Endorsed by Brickhouse Spy Tools which is good. Overall price per year exceptional. Solid cell spy if the features list is adequate for your spy needs.
Club009	\$15 lifetime	NONE	NONE	-spy call history -spy sms history -spy media -remote call spy	C-	Only reason to buy this cell phone spy is you like a low price AND you like risk. No guarantees it works and 0 tech support. Comes with free webcam spy though.
ClubMZ	\$15 lifetime	NONE	NONE	-spy call history -spy sms history -spy contact list -spy emails -remote call spy	C-	The one redeeming feature is the extremely low price. Comes with free spy web cam. Phone spy may or may not work on the target phone. A gamble cell spy at best.
FlexiSpy BASIC	\$149 year	10 days	-FAQ -Submit Ticket -Live Chat	-spy call history -spy sms history -spy emails -remote control phone	C	Don't waste your money with the Flexispy BASIC cell spy plan. It has less cell spy features than the others at more than double the price.
FlexiSpy PRO	\$249 year	10 days	-FAQ -Submit Ticket -Live Chat	-spy call history -spy sms history -spy emails -remote control phone -spy room bug	B	Flexispy is still expensive with their PRO plan but at least this plan has the spy room bug feature which other do not with the exception of Spysera . The remote control phone feature is useful as well.
FlexiSpy PRO-X	\$349 year	10 days	-FAQ -Submit Ticket -Live Chat	-spy call history -spy sms history -spy emails -remote control phone -spy room bug -remote call spy	B+	Although a little pricey the PRO-X plan for mobile phone spying by Flexispy has several powerful features that make it worth the expense, those features being remote control phone , spy room bug , and remote call spy .
MobiStealth LIGHT	\$39 3 mo's \$89 year	10 days	-Submit Ticket	-spy call history -spy sms history -gps tracking -contact list -free reverse lookup	C+	Mobistealth cell phone spy has a decent amount of features at not a bad price. Their guarantee and tech support is terrible. Help support requests take longer than acceptable to be replied to.
MobiStealth PRO	\$79 3 mo's \$149 year	10 days	-Submit Ticket	-spy call history -spy sms history -gps tracking -contact list -spy emails -spy media -spy room bug -free reverse lookup	C+	Great mobile spy features at a good price. The tech support you can complain about and the little help there is in their Submit Ticket oftentimes takes a terribly long time to get replied to. Only recommended if you know what you are doing and do not ever anticipate needing help or support.
PhoneBeagle	\$19 3 mo's \$49 year	60 days	-FAQ -Submit Ticket	-spy call history -spy sms history -gps tracking -spy urls ** -spy media ** ** android only	A-	PhoneBeagle is a mobile phone spy that does not get the attention it deserves. Slightly weak on the features list and the number of phone it supports is made up for by a mind blowing price and a members area that looks like a pilots cockpit of information.
